Description

SUNSEEKER 90 'MELINDA V' - LUXURY, OCEAN-READY & ADVENTURE PROVEN

Meet Melinda V - a sensational Sunseeker 90 built for serious cruising and unforgettable escapes. Lovingly used, constantly upgraded, and adventure-tested, she's just returned from six incredible months exploring the Whitsundays... And before that, she explored the beautiful waters of Vanuatu. This is a yacht that's not just admired - she's a true gem of the sea.

Fresh from the yard, she's just been slipped (June 2025), antifouled and had a major mechanical service on the twin Cat C-32 engines, along with a repainted swim platform and other recent upgrades, including a brand-new surround sound system, interior walls and ceilings re-trimmed, new carpet in all cabins and new floors in saloon. The saloon has also been redesigned to offer a more social, entertaining and flowing design.

Step onboard and you're fully equipped for premium fun:

- Sea-Doo 300hp Jetski
- Two kayaks
- Lilypad

This is the complete adventure package -- ideal for families, entertainers, or private cruising.

Originally built to MCA Category 2 charter specifications, Melinda V offers commercial-grade capability with Sunseeker luxury throughout. Spacious decks, generous accommodation and the signature Sunseeker performance make her perfect for extended cruising or high-end hosting.

A proven world-class cruiser with all the toys, all the upgrades and absolutely nothing to spend -- step aboard and set course for your next adventure.

Melinda V is now available for inspection just south of Sydney city.
