Description

Expanded Commercial Capability

Event Boating Sydney is more than a traditional charter operation — it's a versatile on-water platform that opens the door to a wide range of fun, creative, and income-producing opportunities on Sydney Harbour.

In addition to private charters and events, the vessel is perfectly suited to:

-

Camera boat work for film and television productions

-

Drone launch and aerial filming operations

-

Real estate and waterfront media shoots

-

Event and production support

-

Harbour logistics and waterfront deliveries

-

Special event transport and unique on-water experiences

With its large open deck layout, this vessel provides an outstanding working and entertaining space, allowing an owner to combine lifestyle with commercial potential while working on one of the most spectacular harbours in the world.

Featuring a generous platform area, head facilities, gas BBQ and preparation space, plus substantial shade coverage for comfort, it offers the ideal setup for operators who enjoy being on the water while running a flexible and rewarding marine business.

Whether your goal is to create memorable events, support Sydney's thriving film and media industry, or simply build a business around your love of boating, Event Boating Sydney presents a rare opportunity to have fun, earn an income, and enjoy the harbour every day.
