Description

Fleming 36ft Motor Cruiser – Classic Design, Major Upgrades, Ready to Cruise

Crafted by the legendary Fred Fleming, this 36ft Motor Cruiser is a true bluewater classic with timeless lines and exceptional sea-keeping ability. Built for long-range cruising with a range of approx. 500nm, she’s equally suited for coastal adventures, entertaining on the water, or comfortable liveaboard life.

A major refit in 2017 by Rogers & Lough Marine Engineering, followed by extensive upgrades in 2020, ensures this vessel is turn-key ready. Recent improvements include:

- Full hull respray and deck recaulk
- New Racor twin fuel filter assembly
- New gas lines
- Bow thruster installation
- New gear box and engine seals
- New batteries throughout
- New Kohler generator

Her warm, spacious interior offers excellent visibility and a welcoming layout that makes time aboard a pleasure. This is a rare opportunity to own a well-maintained, heavily upgraded Fleming cruiser that stands out in both performance and presentation.

To find out more about this fabulous Fleming Yacht, please don't hesitate to call Cath at CB Yacht Sales on 0402 135 442
