Description

Riviera 44 Flybridge “Amber” presents an outstanding opportunity to acquire a proven and versatile Australian-built motor yacht operating in current Charter Survey 2D for 12 passengers + 2 crew. Well suited to commercial charter operations, private functions or extended cruising, she offers a spacious and practical layout combined with Riviera’s renowned solid construction and dependable performance.

Designed for entertaining and commercial versatility, “Amber” features generous outdoor areas, excellent visibility from the flybridge and comfortable internal spaces that cater perfectly to group charters, corporate events or relaxed harbour cruising. Her established charter configuration allows a new owner to step straight into an operational vessel with the flexibility to continue commercial work or transition into private use if desired.

Powered by Volvo engines and benefitting from recent mechanical attention including replacement of the heat exchangers, amongst other works, she represents a practical and capable platform for buyers seeking a turnkey charter vessel with strong earning potential.

Key Features:

-

Charter Survey 2D – licensed for 12 passengers + 2 crew

-
