Description

Berger Houseboat Holidays offers a rare opportunity to take the helm of the only houseboat business on the Tweed River — one of just two in the Gold Coast/Tweed region. Established for over 30 years, this fully-staffed, family-friendly business is ready for a hands-on owner-operator to step in and run a thriving, lifestyle-driven operation. Why This Opportunity is Unique:

-

Exclusive Location: Tweed River is a hidden gem, with the only dedicated charter marina in the area. Control the image and quality of houseboat holidays on this idyllic river.

-

Turnkey Operations: 15 houseboats (8 owned, 6 under management), 5 BBQ day-hire boats, and a full team of experienced staff. No boating skills required — just strong management and a love for people.

-

Lifestyle Business: Flexible work, relaxed customers, and the ability to manage the operation without living on-site. Perfect for a family-owned venture.

-

Growth Potential: Opportunities to expand the fleet, increase bookings, and tap into untapped markets — including fly-in tourists from the Gold Coast.

Fleet Highlights:

-

12-berth spa boats, 6-12 berth luxury houseboats, and 4-berth vessels. Service boats, tenders, kayaks, BBQ boats, and full on-river support included.

-

Established marketing channels: website, social media, radio campaigns, trade shows, and an extensive customer database.

Why Owners Love It:

“Operating a houseboat business means meeting people at their happiest — on holiday! The team is experienced, the fleet is maintained, and the business runs smoothly even if you aren’t onsite. This is a friendly, rewarding lifestyle business with enormous growth potential.” Lifestyle Perks:

-

Work in a beautiful environment, with close proximity to beaches, the Gold Coast International airport, and the Gold Coast & Byron Bay Tourism mecca.

-

Seasonal flexibility and family-friendly working hours.
